Four Card Poker with Bad Beat Bonus offers you three different ways to play your hand. In this game, you'll be dealt five cards, which you use to make your best four-card hand. The dealer will be dealt six cards to make their best four-card hand. Here are the fun ways you can play:

Aces Up

Place a bet in the ACES UP circle. If your hand contains a pair of Aces or better, you win. The better your hand, the more you win! An ACES UP bet doesn't compete against the dealer's cards.

Aces Up Paytable

Pair of Aces	1 to 1
Two Pair	2 to 1
Straight	4 to 1
Flush	6 to 1
Three of a Kind	8 to 1
Straight Flush	40 to 1
Four of a Kind	50 to 1

Ante/Play

Place a bet in the ANTE circle to play your cards against the dealer's cards. If you like your cards, you must place a bet in the PLAY circle to stay in the game. Your PLAY bet must be at least equal to your ANTE bet, but you can bet up to three times the ANTE amount.

Automatic Bonus Paytable

Three of a Kind	2 to 1
Straight Flush	20 to 1
Four of a Kind	25 to 1

Next, the dealer reveals their cards. The best hand wins! If your four-card hand is higher than or the same as the dealer's hand, you will be paid 1 to 1 on both the ANTE and PLAY bets.

But...there's more. If your hand is a Three of a Kind or higher, you win an AUTOMATIC BONUS on your ANTE – even if your ANTE and PLAY bets lost.

Bad Beat Bonus

Place a bet in the BAD BEAT BONUS circle, and your cards will be compared with the dealer's cards. If both your hand and the dealer's hand are TWO PAIR or better the BAD BEAT BONUS will be paid for the lowest of those two hands.

Bad Beat Bonus Paytable

Two Pair	4 to 1
Straight	15 to 1
Flush	25 to 1
Three of a Kind	100 to 1
Straight Flush	10,000 to 1
Four of a Kind	25,000 to 1 (\$25,000 maximum payout)
